

Katie on No Library Searching

K: I think the number one thing would...allow students to know that it's there. Because I think there are a lot of people that don't know...and it took me forever to even learn.

J: Right.

K: And the set up of the website itself. You look at it and it's just a few green icons with a white base and you look at it and it's not inviting.

J: Mmhhmm.

K: And you go to Google, and there's creative text and there...sometimes they'll have little pictures. And it's more of a friendly...as odd as that sounds...

J: No, I think it's interesting.

K: ...and it makes such a big difference...because you're approaching it as... you almost dread searching. You're like, "oh, I have to get onto the USF database."

J: Right.

K: ...It's just...

J: It seems more complicated and harder to find things...

K: ...Yea...it's just not exciting...
